5-Year Limited Warranty

Giddy Up USA Mfg., LLC warrants to the original consumer purchaser for a period of 5 years from the date of purchase that structure of trailer shall be free of defects in materials and workmanship attributable to warrantor. **Excluded from this-warranty are electrical, plumbing, windows, doors, roof, sealant, paint, undercoating, and fiberglass parts, which are warranted for defects for one (1) year from the date of purchase.** Warranty does not transfer to subsequent owners. All warranty requests must be presented to Giddy Up USA Mfg., LLC and proper arrangements must be made and approved in writing by warrantor prior to any work being done. This limited warranty is issued by Giddy Up USA Mfg., LLC for trailer structure only. **Any alterations to trailer structure will void warranty.** E-Track, D-Rings, or any other weight supporting devices added by anyone other than Giddy Up USA Mfg., LLC **will void warranty.** Tires are warranted by tire manufacturer, axles are warranted by axle manufacturer, and any other component parts are warranted by respective manufacturer. **Giddy Up USA Mfg., LLC bears no responsibility for outside manufactured component parts.**

Excluded From Warranty: (1) ~~Screwless Exteriors are not included as a warranty item~~ (2) Warrantor is not responsible for claims in relation to defacing, scratches, dents, chips, or tears on any surface not caused by warrantor. (3) Routine Maintenance. (4) Damage from unauthorized repairs, abuse, misuse, or neglect. (5) Damage caused by improper hitch ball or tow hook-up. (6) Component parts covered by separate supplier warranty. **Warrantor's Obligation:** Warrantor shall elect to remedy defects in materials and workmanship caused by warrantor through repair, replacement, or refund. Refund only if replacement or repair is not possible. All defective products shall be delivered to warrantors address above, unless prior written approval is obtained from warrantor. Warrantor may select another qualified location for the repair to be completed. Warrantor will not be obligated, in any **way**, to pay for repairs made without its specific approval. All cost incurred in shipping or delivery of products for warranty service shall be borne by purchaser. Warrantor shall remedy defects within a reasonable time, not to exceed (60) days after delivery by purchaser. **Purchaser's Obligation:** Purchaser must complete and return warranty registration within fifteen (15) days of purchase to obtain warranty service. Purchaser must notify warrantor of any defects within fifteen (15) days after it is or should have been discovered. Purchaser must pay all service, towing, and transportation charges incurred to obtain warranty service.

Disclaimer of Consequential and Incidental Damages: The original purchaser of warrantor's product and any person to whom the product is transferred, and to any person who is an intended user or beneficiary of the product shall not be entitled to recover from warrantor any consequential or incidental damages resulting from any product defects, including loss of trailer, revenue, or other commercial loss, use of equipment rental or loss of time and convenience.

Limitation and Disclaimer of Implied Warranty: Warrantor expressly limits the duration of all implied warranties of merchantability, fitness for a particular purpose and other implied warranties to the warranty period of 5 years. The warrantor expressly disclaims all the implied warranties after expiration of warranty date. No person has the authority to enlarge, amend, or modify this warranty.

Design Change: Warrantor reserves the right to change the design of its product from time to time without notice or obligation to make corresponding changes to previously manufactured products.

This warranty gives you specific rights. No action to enforce this warranty shall be commenced later than six (6) months after the discovery of any defect or after the expiration date of warranty period.

Important Safety & Maintenance Concerns: Side door must be locked during transport. Roof Vent should remain closed during transport. Check lug nuts frequently to make sure they remain tight. Axles should be greased every 3000 miles. Do not walk on roof, it is not meant to support your weight. Check all trailer lights before towing. Interior lights will not operate unless tow vehicle's running lights are on. Battery for break-away system needs to be checked annually and replaced every 3-5 years as needed. Be sure trailer is securely attached to your tow vehicle with correct ball size and safety chains are secured. Brake controller must be installed in tow vehicles for trailer brakes to work in conjunction with tow vehicle brakes. Do not overload trailer beyond maximum axle capacity.
